

Created in 1980 under Connecticut General Statute 10-66a, EASTCONN is a public, non-profit, Regional Educational Service Center (RESC). EASTCONN exists to provide high-quality, competitively priced educational and related services to 36 member Boards of Education and the 33 communities we serve in northeastern Connecticut. We are governed by a Board of Directors, who are members of locally elected Boards of Education. Our funding comes from the fees we charge for our services, supplemented by competitively awarded grants and contracts.
